Subject: LBUSD Guide to Community Resources

The purpose of this Bulletin is to inform you of the Long Beach Unified School District's 2006-2007 Guide to Community Resources. The Guide provides information on a number of community resources available to youth and adults including: health education and care, childcare, employment and training, food/shelter, gang prevention, legal/immigration services, academic assistance, recreation, parenting and family resources.

You may find this Guide to be a useful tool when providing services to WIA youth and when assessing opportunities for collaboration.

You may access the Guide from the LBUSD's website, www.lbusd.k12.ca.us. It may be accessed through the alpha search (top, right-hand area of the District's web page) by clicking on "C" and then clicking on "Community Resources Guide," or clicking on "G" and then clicking on "Guide to Community Resources." It is a 117 page PDF and Adobe Acrobat is required to open the document.

Should you have any questions, please contact Rick Gonzalez at (562) 570-4716.
